

## *Honor a loved one, honor a veteran.*

The St. Leo Campus for Veterans is a place like no other in America. The Campus offers a residence for 141 men and women veterans who were once homeless, a clinic and resource center, a picturesque garden, and a residence with 14 units for the disabled and their families, giving priority to veterans who require assistance.

The St. Leo Veterans Garden is a place of beauty and reflection for the residents of St. Leo and the surrounding neighborhood. The garden contains a beautiful fountain and five distinct areas that honor the different branches of the military: Army, Marines, Air Force, Coast Guard, and Navy.

### ***Walkway of Honor***

Surrounding the fountain is the Walkway of Honor, which lists our nation's heroes, both fallen and living, in commemorative paver bricks. Bricks are available for sale for a contribution of \$300. Smaller replica bricks can be purchased as a gift for someone you love or for yourself to keep as a remembrance of your support of St. Leo's.

### ***Commemorative Trees***

Evergreen trees surround the garden and shade trees and evergreens follow the path to the Walkway of Honor. A commemorative tree is a thoughtful and lasting legacy to a person you would like to honor. There are 100 trees available for naming in the St. Leo Veterans Garden – 85 evergreen and 15 shade. These trees are already planted and established in the garden. You can sponsor a tree for \$500. For \$650, a plaque listing a personal message will be set at the base of the tree.

All net proceeds benefit the operations at the St. Leo Campus for Veterans.
